**Congress of the United States**  
**House of Representatives**  
Washington, DC 20515-3011

December 19, 2018

To Whom It May Concern:

As a Member of Congress, I am not allowed to endorse a specific business or product. However, I do support the efforts of veterans, especially those that received a disability in service to our nation.

I have known the Kendall family for over 70 years and Harrison Kendall is a 100% Service Disabled, Veteran Owned, Small Business (SDVOSB) owner. Enclosed, you can find information on his company and their services.

Sincerely,

Rodney P. Frelinghuysen  
Member of Congress

# **SDVOSB Materials, Technology & Supply LLC**

A 100% Service-Disabled, 100% Veteran-Owned, Small Business Enterprise

**New York State Certified**  
Service-Disabled Veteran-Owned Business

Helping you to assist our Service Disabled Veterans is good business.

Team with us to get a wide variety of materials, technology, supplies, logistics support and project management services through a Certified Service Disabled, Veteran Owned, Small Business – *SDVOSB Materials, Technology & Supply LLC*.

Create jobs for Vets, help a dedicated Service Disabled Veteran business, and assist the Community. Join our team for the products and services you require.

As a 100% Disabled American Veteran, Harrison Kendall has created a certified business that is registered with SAM, the VA, SBA, WAWF, the State of New York and DUNS. His company supplies materials, technology, integration, and services to Federal, State, City and Local governments. He currently supports management, procurement, acquisition, logistics, contracts and projects, with agencies, non-profits, education, and prime contractors. Our firm utilizes high-technology project-management, supply chain and online purchasing to serve clients on-time and on-budget with a solid suite of products and services from the USA and around the world.

Public, private, non-profit and commercial projects: We provide exemplary services and products, and assist you with the talented, dedicated and trusted people who protect and serve our country...our military veterans...experts in logistics and working under pressure. After years of international experience in large project execution, we stand well prepared to assist you.

As a service to his partners and suppliers, Harrison and his team are ready to provide additional high-value offerings to assist with *SDVOSB Materials, Technology & Supply LLC* including:

- Nationwide Project Implementation, Logistics and Oversight Management
- Expedited Process Service to quickly integrate your business into our supply chain
- Marketing Services to reach potential buyers quickly for your product
- Sales Team integration - get our sales team talking to procurement agents for tenders that can and should be SDVOSB or sole sourced for your product
- Co-Marketing & Co-Branding Materials & Production to get your product under our banner.

Prime Vendors and Suppliers: We are here to assist you to meet your business socio-economic subcontracting goal and utilize our advanced logistics and project management services to make your project go like clockwork.

Harrison has served our country in Afghanistan, and now he wants to serve his clients and buyers with the highest quality products and services at the best value in the marketplace. Contact Harrison and his team to explore becoming a partner and discuss opportunities at:
